## Foreword

### TO THE TRADE:

The L. D. Waller Seed Company devotes itself entirely to the production of HIGH GRADE FLOWER SEEDS SWEET PEAS and NASTURTIUMS and is justly proud of the high reputation of its stocks.

We are devoting more time and attention to trueing up and perfecting our strains of Flower Seeds than any other grower in America, and each season are able to introduce several NOVELTIES of merit.

Everything we offer in this list is grown by ourselves on our own ranches at Guadalupe and can be seen by visitors.

The TRADE is cordially invited to visit our ranches and trial grounds when in California and personally acquaint themselves with the quality of our strains and our advanced methods of growing.

We are prepared to grow from customers stocks and pay particular attention to that branch.

We take this opportunity to thank our patrons for their generous support in the past and will do our utmost to merit their continuance.

AWARDED SILVER GILT MEDAL OF THE NATIONAL SWEET PEA SOCIETY OF GREAT BRITAIN AT THE EXHIBITION OF THE AMERICAN SWEET PEA SOCIETY HELD AT THE PANAMA PACIFIC EXPOSITION, SAN FRANCISCO, JUNE 11, 1915, FOR DISPLAY OF SPENCER SWEET PEAS.
